

# ST ANDREWS CHURCH REDEVELOPMENT PROJECT "SPONSOR A CHAIR"

As many of you will be familiar, St Andrew's is a historic and iconic building that is well-known to Moffat residents and visitors alike.

St Andrew's, being an older building, is currently undergoing significant modernization to make the building more accessible, comfortable, flexible, environmentally friendly and available for community multi-use, to ensure that it can better benefit the community as a venue that can host a wide range of private and public events, and not just used on Sundays.

The building work is progressing well, but we need your support for the "Sponsor A Chair" initiative.

Your donation will assist us to purchase additional chairs, which will provide flexible seating for the multi-purpose use of the church building, along with a more suitable option for those with differing mobility needs.
